This is the book you have been waiting for!!!!

"The Shockey History and Genealogy Book" by Ralph N. & Marie F. Shockey is complete and ready to be published!!!!

This book contains 1449 pages, 10 maps, 144 pictures and over 11,000 names. There is an index of names at the beginning of each chapter. Thirty seven percent of the surnames are Shockey. All stories, pictures, maps, legends and names relate in one way or another to the Shockey family. This history relates to the era, the places, & names of people, where they lived directly or indirectly. It shows the migration of the Shockey family all over the United States even in Mexico, Hawaii, and a great number into Canada. They left history wherever they lived. Much of the information was researched and submitted by Shockey's and their decendents, such as the Markley's, the Fuller's, The Shultz's the Jones', the Smith's and many, many more and all decendents of Shockey.

This book begins in about 1715 in the Palatinates of Germany and traces the decendents to the present time. It tells of the lives of the Shockeys and includes 28 years that Valentine Shockey was a leader of counterfeiterers.

The record of the 63rd Congress shows the following Shockey served in the Revolutionary War: Christopher Shockey, Jacob Shockey, Jacob Shockey Jr. Abraham Shockey, son of Valentine and Christian Shockey. Other records show Abraham Shockey, Isaac Shockey, Edward Shockey, and there could be more.

To those of you who can prove to the satisfaction of the Daughters of the American Revolution that there has been no break, between you and your ancestors that served in the American Revolution, to our knowledge you may become a member of the Daughters of the American Revolution.

Included in this book is a historic outline about the Shockey name and a picture of the Shockey Coat of Arms. On the coat of arms is a number you can use to order your coat of arms, or a catalog showing the different mountings and even glassware can be obtained with the coat of arms on it.

This book is in two volumes due to the number of pages in contains. It can only be sold as a set of two volumes.

Book should be ready to mail three months after they go to print.

This book was researched entirely by Ralph N. & Marie F. Shockey plus the materials sent to us by the Shockeys and their decendents. This book has no connection in any way with the one published by Ms. Beatrice Bayley.
