Some of those who attended the 2015 Shockey Family Reunion at Shockeyville Church

Dear Friends and Shockey Cousins

By: Lesley Shockey

Another year has come and gone and there has been so many changes that I am not sure where to start. The major change in my life has been the death of Naomi which many of you already know about. She waged a major battle with her lung cancer for 37 months but the end seemed to have come to suddenly for me. Later in this newsletter I will include the letter that I wrote that was read at her funeral.

David F. Shockey, who served as the second President of the Shockey Family Fellowship Inc. following the term of John C. Shockey, made the decision to step down from the office in 2014. I was elected as President to replace him.

Donna K. Shockey also made the decision to step down as Secretary after during a great job for so many years. Donna J. Porter also made the decision to step down as Treasurer after so many years of keeping the books in order. The decision to combine the two jobs was made and Edward Paul Browne II was selected to fill the dual positions.

Marie, who has written at least the opening pages for the Newsletter for the past 41 years, is not able to contribute her usual articles this year. One of the two major problems is that her computer is down and she cannot send or receive email. Second she has lost the use of her right hand since her medical problems this past December.

Last year's Newsletter announced that the next two reunions would be held in Shockeysville or Winchester. The decision was made at the 2015 reunion to move the 2016 reunion to Arkansas with **John L. Shockey** and **David L. Shockey** co-hosting the reunion.

The 2016 Shockey Family Reunion will be held at the Fairfield Inn & Suites in Benton, Arkansas June 30th through July 4th. Our group rate is \$91.00 plus tax. Amenities include free high speed Internet, free hot breakfast, fitness center and pool.

To make your reservations call 1-501-722-6330 and be sure to mention the Shockey family reunion to receive the discount rate.

Fairfield Inn & Suites in Benton is along I-30 Frontage Road near Exit 118.

Plans include visits to several cemeteries in which Shockey relatives are buried, a trip to Garvan Gardens and Crater of Diamonds State Park, possibly a tour of Hot Springs and Lake Hamilton on a Duck and also a tour of the President Clinton Library if there is enough interest. If you prefer flying, the nearest airport is Little Rock Airport. Hope to see you at the Shockey reunion.

Last year we had 41 guests that registered. Ten states were represented. Those from West Virginia were: Les and Naomi Shockey of Sandyville, WV, David Shockey of Fayetteville, WV, Neal and Edna Shockey and Debbie Riggleman of Mabie, WV. The ones from Kentucky were: Marie Shockey of Elizabethtown, KY, David Shockey of Rineyville, KY. The ones from Maryland include: Paul Browne, Eric Shockey, William, Vanesa, Mickela and Annabelle Shockey of Mt. Airy, MD, Mary Shockey, Ralph Shockey and Brian Shockey of Frederick,. Those from Virginia were: Sharon Wetzel of Ferrum, VA, Mauri and Heather Shockey of Henrico, VA, Scott Luttrell of Stephenson, VA, Rev. Isaac Luttrell of Gore, VA. The ones from Georgia were: Charlotte Shockey and Carol Shockey of Harlem, GA, Bonnie Tennant, Grovetown, GA. The ones from Pennsylvania were: Glen and Virginia Shockey of Greencastle, PA. The ones from Ohio were: Dennis and Janel Teegardin of Brunswick, OH and Morgan Stein of Hilliard, OH. The one from Delaware was: Denise Jackson of Lewes, DE. Those from Arkansas were: John and Betty Shockey of Lonsdale, AR, Justin, Jace and Jaxon Shockey of Benton, AR, David and Toni Shockey of Hot Springs, AR. The one from Nebraska was Kaylene Silvester of Champion, NE. The ones travelling the furthest were: Stephen and Nancy Shockey of Glendale, AZ.

NEWSLETTER REPORT: Marie reported assisting Les with newsletter. Les reported that the Newsletter was posted on-line. He reported, however, that there had been fewer than 200 visitors to the download site.

David F Shockey stated that many people do not use the Internet and that he knew of many that had been users that were moving away from Internet use. He stated that the lack of knowledge on computer use; difficulty using software; and difficulty navigating web site were often reasons. He opinionated that it is likely we will see a decrease in use (at least amongst older members) and that the board should consider revisiting the possibility of mailing copies.

Les mentioned that he had only one phone request for a printed copy and that the URL and E-Mail address for web use was on his new business card.

Sharon Wetzel-Shockey opinionated that the use of on-line and social media was a good thing and would be good for expanding membership.

David H Shockey recommended that there be two portions of the newsletter: The small section and the larger Obituaries section, that way members could download or we could print and mail the smaller part more cheaply for those that don't want the obituaries.

GENEOLOGY REPORT: Les Shockey gave the geology report - there are currently 7721 families; 28,333 events; 21,454 citations; and 843 photos in the system today. The minister brought up the possibility of having two tanks. The "solid" tank would have to be emptied. The "liquid" could be taken for sterilization and use.

My letter that was read during Naomi's service:

My dearest Naomi I will be lost without you to share things with. You have been at the center of my world for a very long time and we enjoyed doing so many things together.

You were a great wife, mother, care giver and so much more. You were a worrier though and I dreaded hearing the scanner announce and ambulance call or a wreck. This meant that you had to make contact with each of your children and their families to insure that each and every one of them was safe.

You were a caring and kind caregiver and become a part of so many families because of your loving ways and the way they knew that their loved one was in great hands.

You will be missed by many at the national Shockey Family reunions. All of the extended Shockey family loved you and the special way that you could always relate your various life experiences. One of your stories that was always a favorite was the one where the young men from southeast Kentucky called us at supper time one day wanting me to furnish them a burial permit so that they could have their father reburied after digging him up at Independence, strapped the casket on to the top of their Jeep and drove away.

You loved to shop so I never had to worry about running out of many things.

I will miss your discovering new things and seeing new places in our travels.

Your loving husband, Lesley

Donna Porter, Volunteer of the Year Award

The following article is from the Foothills Genealogical Society March-April 2015 Newsletter.

Donna Porter received the Birdie Monk Holsclaw Volunteer of the Year Award at the February meeting of Foothills Genealogical Society. The award was presented to Donna by Pat Roberts, a Colorado Genealogical Society member and national speaker, who read the nomination letter submitted to the awards committee by Foothills Genealogical Society.

Donna, a Colorado native, grew up in Canon City. She married Paul and they lived in many states before settling in Longmont, Colorado in 1980. She took her first genealogy class in Billings, Montana in 1957 before they moved to West Palm Beach, Florida in 1964. Disappointed in the lack of genealogical resources in the West Palm Beach Public Library, Donna started a genealogical society that later honored her in 1984 as its founder.

The family moved to Denver in 1966 and she joined the Colorado Genealogical Society (CGS) that held meetings in members' living rooms. She was president of CGS from 1968-1970. She received the first Genealogical Certification (CG) awarded in

the State of Colorado and has been a member of the Colorado Genealogical Society for over 50 years. She was a founding member of the Colorado Council of Genealogical Societies and held the office of President. Donna has written books on genealogy and been an active member of at least a dozen other genealogical and historical societies in Colorado and other states. She has been sought after as a lecturer, instructor, teacher, and mentor because of her interest and understanding of genealogy.

Proud of my grandchildren

In the left photo **Bailey Shockey** is preparing to pitch in a softball game for the Gallia Academy Blue Angels. She pitched her first winning game on April 12th. On the right is **Warren Shockey**, who plays for the Dayton Dragons 11u Select team, delivering a pitch in the game against Waynesville Spartans which the Dragons won 14-0. This is early in his season but he currently carries a .800 batting average and a 1.000 on base percentage. Both Bailey and Warren are the children of **Charles W Shockey**. Charles also has 10 year old Michael whose baseball season has not started yet. Getting to watch my grandchildren play helps me get over the loss of Naomi somewhat.

SHOCKEY Genealogy Updates

By:

Lesley Shockey

Naomi and I had to head home one day earlier from the 2015 reunion than planned because Naomi had more fluid building up around her heart and lungs. Thankfully Paul Browne stepped up and led the Monday tour To Pennsylvania and Maryland including Ringgold, PenMar Park, Shank's Mill and a tour around the area that comprised The Third Survey of Sarah's Delight. We knew coming home that Naomi's breathing was becoming quite labored. I helped her to bed with plans to take her to Huntington the next morning. She woke me up during the night and I check her oxygen level. It was at 67% so I called 9-1-1 and got dressed while waiting for them. She spent the next 12 days at St. Mary's Hospital in Huntington having fluid drained from around her heart and lungs. Over the next seven and a half months she was hospitalized three more times, each for eight days or more.

Once again I have not had as much time to spend on the **Shockey Family database** as what I would like. (It seems like the days, weeks and months are all becoming shorter.) I do add to the data as time permits. Remember to bring your family photographs that can be scanned and entered into the database. If you do not have a database that can be exported by a GEDCOM, at least be sure to bring additions or corrections to the reunion. Make notes of dates and places in order to insure that we enter the correct information. Too much information is always better than not enough.

The database contains 21,879 people (with some duplicates not eliminated yet), 7,814 families, 28,916 events (births, deaths, marriages etc.), 4,429 places, 22,237 citations and 849 multimedia items (photos, licenses etc.). The database continues to grow and hopefully someday soon all duplicates will be eliminated.

SHOCKEY DNA Project

The **SHOCKEY** DNA Project is part of the Family Tree DNA. Descendants who carry the bloodlines from John Christopher **Shockey** belong to **Haplogroup Q** (most likely **Q1b1a** subclade) which is quite rare in comparison to other groups.

We now have fifty two members in the **Shockey** DNA Project. Of these, thirty three men have their DNA tested and twenty are males with either the Shockey surname or persons who match the Shockey DNA.

There are twenty one in the group that have taken advantage of the Family Finder test, eleven men and ten women. Two other men are awaiting the results of their Family Finder test. Dennis Teegardin/Shockey has 1290 people who show relationship of 5th cousin or closer. Charlotte Shockey has over 1140 people who are related 5th cousin or closer. Of course she has had her father, mother and aunt all test. I have 1551 people who Family Finder reports as 5th cousins or closer. The others who have taken part in the Family Finder test also have many relatives listed. The one thing that I have against Family Finder is for persons who have two or more ancestral lines in common, it calculates a much closer relationship than is actually the case. For instance, if you have two ancestors in common and you have a 6th cousin in with both lines, it combines the markers in common and lists you as probable 3rd cousin.

Six men have now had the Y-DNA-111 marker test. On this test I show only one marker difference to one other Shockey, two markers difference on another and three markers difference to the other two Shockey descendants.

I have taken the Big-Y test which shows we descend from the Swiss Mennonites. Nine of the twenty nine men that I match show no known SNP differences and with the best match showing 27,317 matching SNPs. I can see no connections with the nine surnames. Comparing my SNPs to those of Christopher Baysinger, we have 24,970 matching SNPs and no SNP differences. However his Haplogroup is showing as Q-BZ4 and mine is now showing as Q=BZ6. Stephen and Dennis, who have the next highest level of tests, show a Haplogroup of Q-YP1095. The remainder of the Shockey males show either a Q-L245 or Q-M378 depending on tests completed.

We are still hoping to find someone who descends from Samuel Christian Shockey, the last son of John Christopher Shockey. There may be a few male descendants of Samuel and carrying the Shockey surname living in California. I need to make contact with them.

Jesse Luther Hudman, 95

Jesse Luther Hudman was born on Nov. 16, 1920, to Jesse Earl Hudman and Bessie Amanda Scott Hudman. He was born at the family home in Russia Canyon near Cloudcroft.

He was the oldest of six children that consisted of four brothers and one sister. He attended school in Russia Canyon and Cloudcroft where he graduated as salutatorian of his 1939 class and was also a member of the winning team of the New Mexico State Championship in six-man football.

He began his life after school at an early age by working as a rancher and a dairy hand at Leon Green's dairy in Cox Canyon. The family was farmers and ranchers. Jesse did his part by helping with ranch chores, loading the truck with produce, traveling the southern part of New Mexico and some of west Texas, selling produce and even trading produce for other things the family would like. He later tried his luck as a lumberjack and there he met and married Clotha Willa Mae Fuller on Jan. 27, 1947, in Raton.

They came back to the ranch and started a family. Jesse and Clotha had four children -- all girls -- Carolyn Elaine, Viola Kay, Janet Lee and Wanda Fay. Jesse helped to construct tracks and build a landing where the train "The Cloud Climbing Railroad" could go up the hill from Alamogordo. It went as far as Old Wooten where it had to back onto the landing they built and make a fast run to the top of the mountain at Cloudcroft.

He was a cowboy, an excellent horseman, garage owner and mechanic. He worked for 26 years at "Land Air" Dynalectron Corporation at Holloman Air Force Base. Later in life he became a real estate agent and was New Mexico's Realtor of the Year in 1989. He was inducted by the Cloudcroft Historical Society in 2005 as an honoree of the Old Timers Reunion held in Cloudcroft every year. Robert E. Shockey II, 67, Reading

Robert E. Shockey II "Bob", a.k.a "Wolfman," age 67, son of **Robert and Mary Shockey**, passed away peacefully in his sleep from a heart condition on Wednesday, January 20, 2016, at Reading Hospital.

Bob spent most of his life in Willow Grove and his last 14 years in Womelsdorf, PA.

He served in the U.S. Marine Corps during the Vietnam War then returned home to graduate Summa Cum Laude from Temple University.

For those who met him, it's impossible to forget his larger than life personality, hands full of rings, full sleeve tattoos and his ice blue eyes. Underneath the veneer, he genuinely cared about people and was there whenever they needed him, offering his council or making a call to someone that could get them out of a situation. And it's possible that his heart ran on Dunkin' Donuts coffee.

Judson L. Bowers, 98, Payson

Judson L. Bowers, 98 years old, peacefully passed away Easter Sunday, 27 March, 2016, at his home in Payson, AZ. He was born 6 December 1917 in Detroit, MI to Alva Newell Bowers and **Nettie Mae Shockey**. He is predeceased by; his parents; siblings, Avonell Smith, Alberta Prewitt, Howard Bowers, and Alva Bowers; wife Agnes Blair Bowers; daughter, Susan Bowers Austin. Judson is survived by his children, Judson Bowers, Jr. (Cathy) of Apache Junction, AZ, Roxey W. Bowers (Judy) of Payson, AZ, Kay A. Houghton (Bill) of Payson, AZ, and Robert A. Bowers (Karen) of Surprise, AZ.

Dad was a man of many talents. Quitting school after 8th grade amidst the Great Depression, he "rode the rails" with a friend for a while then returned home in Michigan to find work anywhere he could. The CCC program in northern Michigan helped him to focus on the value of honest work. Meeting and marrying the love of his life, Agnes, was the best thing that ever happened to Dad. Mother taught school while Dad worked in various auto plants in the Detroit area. He met Henry Ford several times.

After our family settled in the small town of New Baltimore, MI, Dad found his niche by serving in various government and civic capacities; taking his unloaded guns to school in an after-school program (which he created) and taught the students the value of gun safety, creating an Education Fund for students who could not afford to attend college on their own, serving as an auxiliary police officer, was town Planning Commission president, owning the town newspaper, etc. Fishing and hunting were his second and third loves. He and Mother drove the Alaskan Hwy. 4 times, fishing along the way. After retiring, they moved to Cherry, AZ for many years, then to Dewey, AZ, and finally to Payson, AZ. Dad found a hobby in hot-air ballooning and became a balloon observer in Japan, Europe, England and the USA.

After Mother died in 2010, Dad was never the same again. He missed her dearly and lost much of his desire to build, to hunt and fish. His "spiritual" side was found in nature, with all of its serene beauty and wild life. We children, grandchildren and great-grandchildren will miss this wonderful man. He was one-of-a-kind.

A graveside service will be held at 9:00 a.m. at the Heritage Memorial Park Cemetery, 12000 E. Heritage Memorial Lane, Prescott Valley. A luncheon will follow at the Prescott Country Club, Dewey, AZ. In lieu of flowers, Father asked that donations be made to the Agnes Bowers Fund, Julia Randall Elementary School (where Mother tutored), PO Box 919, Payson, AZ 85547.

Anita Lucille Van Steenberg Hardy, age 67

Anita Lucille Van Steenberg Hardy, age 67, passed away peacefully on March 29, 2016, after a brief illness.

The exceptional woman who was known as Anita to her friends, Mrs. Hardy to her students, Tish to her family, and Mom to her daughter was born in West Palm Beach on April 5, 1948, and had lived in Boynton Beach since the mid-1970s.

She was proud of being a sixth generation Floridian. She graduated from Wesleyan College in Macon, GA, in 1970 with a B.A. in English. After a brief marriage, she completed her Masters in Education from Nova Southeastern in 1980, and began her love affair with teaching. Mrs. Hardy lived for those moments when she could see the light of understanding turn on in her students. During 35 years at Atlantic High School in Delray Beach, she instilled a love of reading and education into more than 5,000 students, many of whom have gone on to do great things, but all of whom left her classroom with more confidence in themselves.

Tish and her brother grew up in Palm Beach County when most of it was still scrub and sand. She and her daughter Jennifer had many amazing adventures together, from every corner of Florida to 46 other states and even throughout Europe. She was the best problem-solver, gave the best advice, and always supported her family and friends in whatever they did. She loved photography, travel, raising monarch butterflies in her backyard, and spotting the bright pink feathers of her beloved roseate spoonbills. She was the best friend, travel companion, confidante, role model and mother a daughter could ever have.

She is survived by her daughter, Jennifer Hardy of Boynton Beach; one brother John Van Steenberg and his wife Judy of Memphis, TN; nephew Christopher Van Steenberg and family of Germantown, TN; niece **Catherine Shockey** and family of Austin, TX. She was predeceased by her parents Donald Earl and Martha May Van Steenberg in 1985.

Services will be private. In lieu of flowers, please consider a donation in her memory to her alma mater: Wesleyan College, (www.wesleyancollege.edu); to the Peggy Adams Animal Rescue League at (www.peggyadams.org); or to Hospice of Palm Beach County at (www.hpbc.org). Thank you to all of Anita's many friends and countless former students for their kind words during this time. She was loved by many and will be remembered by all who knew her.
