## Shockey Cousins and Friends

By: Charlotte Shockey

Hello cousins!

I know this newsletter isn't the same without the usual letter from Les and he contributed quite a bit to the Shockey Family Memorial Fellowship Inc. He first came to the reunions in 1994 and was voted onto the board as a Computer Genealogist the same year. Thanks to his computer skills he started assisting Marie with the newsletters in 2008. He was even nominated and voted to be the President of the Foundation in 2016. I know many of us will miss him at the reunions or the email correspondence. I personally emailed quite a bit with him before I finally met him in person in 2012 at my first Shockey Reunion. He was such a big presence and will be greatly missed.

I asked Mauri if he still had the audio recordings he did from the tours of Les speaking. I had thought we might create a "Self Driving" tour CD with those recordings and get audio of Keith doing the additional items for the Monday tours. I was even going to put together a map brochure to go with it. I think the CD would be great to purchase on a donation basis as well as helpful for those who can't make it during the reunion due to work. Also, those who have family that can't make it to the reunion could do the driving tour. Just an idea and waiting to find out from Mauri if he still has them.

I'm hoping everyone has been doing well over this past year since the last newsletter. I'm so glad to have seen those who made it to the reunion as it was a lot of fun. I've had a bunch of new things happen this past year. I, personally, earned a career diploma for Certified Medical Administrative Assistant with a certification for it as well in 2021. I sadly couldn't find a job to use the certification for BUT I did get a job at the new Amazon Sortation Center in Appling, GA in November. I started a small business on Etsy with earrings, mainly Lego Minifigures in the Horror genre (Shockrina) during the summer. This past year has been hard for my family as well with dad gone. Holidays and birthdays don't seem the same but we are getting by day by day.

A deer totaled my car on Christmas Eve on my way to work. Mom joked with my brother that I got run over by a reindeer. It's funny now but at the time I was very upset because I had just paid off the car. Sigh. This time around I'm going for brand new so I hopefully won't have any problems for a long while. I'm hoping to get a full-time job at the Fulfillment Center in Appling if they ever offer me anything. Or, possibly a job with T-mobile. I've also started to try to conceive this year and am looking forward to bringing another Shockey into the world. Prayers for a quick conception and easy pregnancy would be lovely!

I unfortunately didn't get a new copy of the database from Les (since 2019) so I don't know how many people are in the main database. I know his children are working on trying to sort out of all his genealogy information. I do have 53,620 people in my database of Shockey, Shawkey, and Shockley which I guess will be the new database. I did merge what Les had his in with mine. This includes not just our Shockey lines but anyone with the Shockey, Shawkey or Shockley name as well as parents of the spouses.

## 2021 Shockey Family Reunion

The 2021 Reunion was held in Augusta, Georgia with Charlotte and Carol Shockey as hosts. Everyone enjoyed The Augusta Canal with David K. Shockey's reenactment group helping answer questions before the Augusta Canal ride with lunch at Fat Man's Mill Cafe on Friday. Later that evening we all had dinner at Sconyer's BBQ. Saturday was a free day although some went to the Helen GA area to eat and taste wine. Sunday was lunch at Golden Corral before reconvening back at the hotel for the group photo and General Meeting. Thankfully the temperature was just right for the reunion.

## **Minutes of the Shockey Family Reunion General Meeting, Augusta GA July 4, 2021**

The General Meeting was called to order by Vice-President Will Shockey at 1:20PM held in a meeting room of the Holiday Inn Express, Augusta, GA. The meeting was opened in prayer by Chaplain David L. Shockey. He then read the memorial list for the last two years - since we were unable to meet last year due to COVID.

Will Shockey advised that Paul Browne had resigned as Secretary/Treasurer of the group. Paul also wished to resign as a Board Member, but the Board was unable to accept his resignation since there was no quorum.

Will Shockey appointed Charlotte Shockey to serve as Treasurer and Toni Shockey to serve as Secretary during the upcoming year.

Charlotte Shockey presented the Treasurer's report:

Beginning balance	\$1,581.02
Income	1,078.85
Expenses	<u>341.00</u>
Ending balance	\$2,318.87

Will Shockey mentioned the possibility of selling the five (5) acres near the Church to pay for the Church and to establish a scholarship foundation. He would like to see this reunion move forward as envisioned by his grandparents.

John Shockey mentioned sending out a newsletter. The Assembly discussed the possibility of an email newsletter with mailings to those who do not have email. A website update was also mentioned.

Ideas to attract more people to the reunion were discussed. Wayne Vincent mentioned Facebook and family trees to spread the word. The Assembly also discussed activities to attract the younger generation: bowling, pool party. The suggestion was made to put out a Facebook poll to gather suggestions for future reunions.

Will Shockey will be hosting the next reunion in Winchester, VA June 30<sup>th</sup> through July 3<sup>rd</sup>, 2022. The proposed site for 2023 is San Antonio, TX to be hosted by Wayne Vincent. The suggestion was made to have the Shockeyville, VA reunion (held in Winchester) every 3-4 years to allow for a wider range of meeting locations.

The prize drawings were made with Kaylene Sylvester winning the reunion glasses and Stacie Briggs winning the Shockey quilt.

Thanks to Charlotte and Carol Shockey for hosting the reunion this year.

Respectfully submitted,

Toni Shockey

## RETIREMENTS

I retired after 42 years with Washington State on May 1, 2021. I started working for the State in August 1979 as a Clerk Stenographer with the Dept of Labor & Industries. I later was promoted to Statistical Reports Compiler within the Dept of Labor & Industries. In October 1983, I was promoted to Accountant 1 with the OASI Unit in the Employment Security Dept. January 1985, I was promoted to Accountant 2 in their Finance Unit. September 1988, I was promoted to Accountant 3 with the Dept of Information Services. I held several positions until the 2011 merges - DIS was broken up and a

couple of new agencies were created. I went to Dept of Enterprise Services doing the financial work for Consolidated Technology Services (CTS) then in 2015 was transferred to CTS until my retirement, holding the position of Financial Analyst 5.

After retirement, my husband & I went on a long awaited road trip. We left on May 14th, heading down the Pacific Coast Highway 101/1 until we reached Santa Monica, CA. From

there, we headed East on Route 66 until we got to Romeoville, IL We skirted around Chicago (avoiding the tollways) to head north into Wisconsin. Spent a brief time in Cedarburg, WI (this is where my Kludt family lived in the 1860's) before heading west towards home. Stops included the Corn Palace in Mitchell, SD; The Badlands National Park, Mount Rushmore National Monument, Crazy Horse Mountain (all in SD); Teddy Roosevelt National Park and Glacier National Park. Getting home on June 13th.

I've been working on my Kludt genealogy along with DNA to learn more on my father's maternal side. For those wondering how I relate to the Shockey's - that's on my maternal side. Marcella Jean Kludt (me) --> Joycelyn Bea Keesee --> E.B. Keesee --> George Wilby Keesee --> Caroline Evie Maynard --> George Washington Maynard --> Eva Shockey --> John Shockey --> Isaac Shockey --> Johann Christoffel Schacke

Future plans include 3 cruises (Hawaii in April 2022, Alaska in August 2022, and New England in Sept 2023) and some road trips - maybe redo of parts of Route 66 since we missed so much the first time. I'm busy with Grange, bowling, and genealogy (lineage societies as well as local genealogical society).

### **KENNETH O HARTLEY**

At dawn on his 80th birthday, Kenneth Owen Hartley peacefully walked to meet his Lord, leaving behind a family and community who will be forever touched by his love, commitment and corny jokes.

Ken ("Owen" to childhood friends) was born in Moberly, Mo., to James Hulen and Helen Sue (Owens) Hartley, the first of four children and the only boy. Growing up, he relished his time outdoors – learning and working in Boy Scout camps as an Eagle Scout (his first visit to Oregon was a summer at Camp Meriwether), hunting, and fishing – with a dream of becoming a Forest Ranger. His path ultimately took him through Moberly Junior College to the University of Missouri in Columbia, and he graduated with a BS and MS in Civil Engineering. For almost 50 years, Ken led large-scale capital projects across 20 countries, from mining to buildings

to rail systems. He was recognized by Mizzou for his service in engineering and was one of the initial inductees to the Academy of Distinguished Alumni of Civil Engineering at the University. In addition to sharing his knowledge through lecturing and writing, Ken was deeply committed to the Project Management Institute (member #843). He was a repeat Board member and two-time Chair, and he participated in the PMI Educational Foundation, which shared project management skills with educators around the globe. His commitment to education lives on through endowed scholarships at Moberly Area Community College, University of Missouri and PMI.

After retiring to Oregon and settling on the banks of the Willamette River, Ken found his next passion with his church community and the Aurora Colony Historical Society. He served on the board and was instrumental in the building of the Preservation & Research Center. Every spring, Ken grew a bushy beard to serve as a one of the living history interpreters that hosted hundreds of Oregon 4th graders in hands-on learning on the Farm. Through a dear friend at ACHS, Ken also became well known at the American Red Cross, who credited him with saving over 200 lives with his blood/platelet donations.

Throughout his life, family was Ken's most important accomplishment, and he never missed a chance to share a story about them with a stranger. He married Jean Shockey in 1962, with sons Michael and David soon following. He later married Sandra Cummins and they had two daughters – Jennifer and Blythe, the latter of whom he delivered at birth on Highway 17. His family grew through marriages, births, and the addition of the Schneiders in 2008. With his children and grandchildren, Ken shared his belief in education, love of travel and outdoors, strong faith, and deep generosity. He also put up with much ribbing at his expense, usually with a smile, and always accompanied with one of his own legendary "Dad jokes."

Ken is survived by his wife of 45 years, Sandi; his four children, Mike (Aretha), Dave (Catherine), Jennifer (Vincent) and Blythe Sivie (Todd); sisters, Anne Hamilton (Gary), Denise Hartley and Rebecca Hartley; chosen family, Todd and Felicia Schneider; many nieces and nephews; and his loving grandchildren who will miss his funny faces and duck quacks.

A Celebration of Life will be held at 11:30 a.m., July 18, 2021, at the Aurora Colony Museum in Aurora, Ore. The family will also gather later this year to bury his ashes in the Hartley Family plot in Missouri, honoring Ken's final wishes. Clark grew up in the Cleveland, OH area and attended University School (Shaker Heights, OH). He earned his undergraduate degree in economics at Cleveland State University while working to provide for his family and completed two years of law school at Case Western Reserve University. When an opportunity arose to enter banking, Clark left law school and worked for five years at Union Commerce Bank (Huntington), followed by three years at Central National Bank (Keybank) where he worked in the National Division. Clark accepted a position with National Westminster Bank USA in New York at the end of 1981 and rose to Senior Vice President. After 13 years, he accepted a position at Bank Austria and the successor institutions and retired from banking in 2004. He continued to independently consult in a variety of roles.

He was a devoted husband and was unconditionally loving to his wife, Marcia, sharing in a love of their family, dogs, gardening, and humor. He was unendingly proud of Robert, C.J., Katie, and Andrew and always was someone his children could rely on for support as a listening ear and as a guiding compass to navigate life.

Clark had a distinctive sense of humor that kept everybody on their toes. He learned this from his brothers and sister. He could always go for a good game of croquet or golf with his siblings and enjoyed teasing them relentlessly for his own amusement. His smile and sense of humor is something that all who knew Clark loved about him and cherished and his dry quick wit is something to be revered.

Clark was an avid photographer and enjoyed taking photos of landscapes, flowers, and anything beautiful. He was a voracious reader and particularly enjoyed biographies of US Presidents.

This fed his fascination of politics and government as did his active involvement in No Labels. Clark was also an ardent fan of sports from golf to baseball to football to tennis, and supported his favorite teams, the Cleveland Indians and Cleveland Browns, through all of their losses and sometimes their wins.

Anyone who knew Clark knew that he was the most loving father and husband a family could ask for. Clark was predeceased by his brothers James Cox Davis III and George Linn Davis, and his sister Linn Davis Swain. He is also survived by his many nieces and nephews and their children.

## NANCY SUE SHOCKEY

Nancy Sue **Shockey** (Wilson), 75, passed away on October 13, 2021, with her family by her side. A Celebration of Life service will be held at 11:00 am on Saturday, November 6, 2021, at Mount Calvary Lutheran Church in Excelsior, MN, with visitation an hour prior to the service.

Nancy was born in Oak Park, IL, to William and Geraldine Wilson and graduated from West Leyden High School. She went on to earn a BA in Business Administration from Elmhurst College and an MBA from DePaul University. In 1982, she married the love of her life, Stephen **Shockey**.

Nancy was a pioneer. Attending college at nights while caring for two young children, she was the first in her family to earn a college degree. She quit her first management job after being told that women should earn less than men. She moved on to railroad logistics - and managed rail traffic across the country. She and Stephen later started (and ultimately sold) a software company and retired.

Nancy also spent many years volunteering for Habitat for Humanity. She believed in helping others and had a knack for writing and communicating with others. In her later years, she wrote children's stories that feature Honey Bunny, Funny Bunny, and Pudgy Bunny. These stories were about helping and cooperating with others and will be published for future generations to enjoy.

Life is more than work. Nancy had the opportunity to live in many cities all over the United States. She enjoyed traveling and meeting new people. However, Nancy loved the mountains most and felt at home there. She and Stephen enjoyed living in Breckenridge, CO, for over 20 years and often said "the mountains are calling, and I must go".

We were blessed to learn many valuable lessons from Nancy: "help others when you can"; "never give up, always persevere"; "if money can solve a problem it ain't a problem"; "ketchup does not belong on hot dogs"; and, "life is short, eat dessert first".

Nancy is survived by her husband, Stephen, children, Richard (Lisa) Simmons of Chanhassen, MN and Jennifer Cook of Denver, CO. She is also survived by her grandchildren (Heather, Tiffany, Hannah and Christopher), great-grandchildren (Ethyn, Brycen, and Myrah), and her brothers and sisters (Kevin, Linda, Diane, Tyler, Holly, and Shawn).

Her legacy will live on in the hearts and minds of everyone she interacted with as well as those she reached but never met. Help her kindness and compassion continue by donating to, or volunteering at, Habitat for Humanity.

A wife, a mother, a grandmother too,  
This is the legacy we have from you,  
You taught us love and how to fight,  
You gave us strength; you gave us might.

## TERRY MABEY

Terry Clyde Mabey, a 64-year-old resident of Paul, passed away Friday, December 24, 2021, at his home in Paul.

Terry was born November 29, 1957, in Rupert, Idaho, to Clyde J and Mary Ann (Jolley-Bywater) Mabey. He grew up in Heyburn with his four siblings, Kerry Blevins, Pam McDaniels, Patty **Shockey** and Mark Mabey. He married the love of his life, Ellen Nielsen, on April 29, 1978; they celebrated their 43rd wedding anniversary this year. They lived most of their married life in Paul. Terry and Ellen have three children, Aaron, Ashley and Anthony "Tony."

Dad learned to work at a very young age in the pallet yard with his dad. He worked many different jobs in his life including Boise Cascade, Mabey's Pallet and Lumber, and with his brother-in-law, Bruce Bean,

where his love for long-haul trucking grew to later working for Rocky Mountain Agronomics. All of this, and much more combined, created a great work ethic which his kids and grandkids inherited. Any time a friend or relative needed anything done, whether it be on the family farms or business, he was right there willing to help.

In Dad's spare time, which wasn't much, he loved anything with power and speed! As a family we enjoyed motorcycles, snowmobiling and tractor pulls. Dad also enjoyed being outside hunting, fishing, shooting guns, and taking the old pontoon out on the river— especially with his kids and grandkids. As Dad's health declined he still put family first and made a great effort to spend more quality time with everyone he loved.

Terry was preceded in death by his parents, Clyde and Mary Ann; and his father-in-law, Ron Nielsen. He is survived by his loving wife, Ellen; children, Aaron (Angela) Mabey, Ashley (Jared) Price and Anthony Mabey; grandchildren, Keelee, Luke, Kayden, Clayton, Kenadi, Kenzie, Logan, Madyson and Kolten; great-grandchildren, Easton Terry and Everlynn Jade; and his siblings.

Burial will be in Paul Cemetery.

## ARTHUR EDWIN MAYHEW

Former Bucks County Courier Times Publisher, Arthur E. Mayhew of Lower Makefield, passed away peacefully with his loving wife, Carol, at his side on January 20, 2022. He was 84 years old.

Born in Amarillo, TX, he was the son of the late Aaron Lee Mayhew and Irene Kreis Mayhew. He graduated from Midland (TX) High School in 1956 and from Texas Technological College (now Texas Tech University) in 1960 with a B.A. in Journalism. Arthur, (despite his move to PA) was forever a Texan and had a long-standing love for his college alma mater as well as his beloved Dallas Cowboys football team; his favorite overused line (“How bout’ them Cowboys?”) and country and western music, although admittedly he always said he “couldn’t carry a tune in a bucket.”

Arthur dedicated his life to the field of journalism starting his successful career at his hometown newspaper, The Midland Reporter-Telegram, and the Pampa (TX) Daily News before moving to Pennsylvania in 1961. Hired as a reporter at the Delaware County (PA) Daily Times, he quickly worked his way up to Executive Editor before leaving in 1975 to join the American Press Institute (API), a newspaper training center in Reston, VA, where he facilitated newspaper training seminars dedicated to the continuing education and training of newspaper colleagues in the U.S. and Canada.

In 1978, he left API to become Publisher of the Beaver County (PA) Times, part of Calkins Media. He moved to the Courier Times in 1984 as Publisher. Known at the Courier for not only his ability to manage a successful newspaper business, but also for his friendly and caring demeanor, as he routinely greeted each of the 150+ employees by name. He always remembered birthdays and acknowledged others’ accomplishments and celebrations with a signed card. Always a champion and supporter of others, Arthur was instrumental in helping many achieve their career goals as a mentor. He remained as Publisher of the Bucks County Courier Times until his retirement in July, 2003.

Although retired, Arthur continued his passionate work in journalism and bringing people together over the years through his continued involvement in various civic and church activities, including the United Way in both Beaver and Bucks counties; Vita Education Services, the lead literacy program in Bucks County; the Beaver County and Lower Bucks County Chambers of Commerce; SchoolWorks!, a Lower Bucks Chamber-initiated effort to bring schools and businesses closer together; the Bristol Riverside Theater; the Delaware Valley Philharmonic Orchestra; and St. Andrews Episcopal Church in Yardley.

He served two terms as President of the Pennsylvania Newspaper Association Foundation, the educational arm of the state newspaper association. He was chair of the foundation’s Diversity Committee, which was one of the first of its kind in the country. Its ongoing goal was to increase diversity in all departments within a newspaper.

He was former President of the Pennsylvania Society of Newspaper Editors. As President, he helped rewrite the state’s public meeting law. He also served as President of the United Press International Editors Association and was a former member of the Newspaper Association of America, the American Society of Newspaper Editors and the Associated Press Managing Editors Association.

In 2004, Arthur was presented the award for Outstanding Alumni of the Texas Tech College of Mass Communications, an exclusive honor bestowed on alumni, recognizing excellence and contributions in the field of communications.

In retirement, Arthur became interested in genealogy and always in pursuit of a good story, his research led him to new travel destinations and meetings with newfound relatives. In 2012, he was inducted into the Sons of the American Revolution.

Arthur deeply loved and cared for his family. He was a man of great character, wisdom, and integrity, with an unmatched sense of humor. "Pop-Art" doted on his eight grandchildren and they all held a special place in his heart.

He is survived by his wife, Carol Mayhew, of Yardley; a son, Scott, and his wife, Jill, and their three children, Emily, Andrew and Ryan Mayhew, of Perkasio; a daughter, Melissa Mayhew, and her daughter, Niamh Mayhew, of Irvine, CA; step-daughter, Kristi Evans, and her fiancé, Mike Miller, of Newtown, and her two children, John Evans, of Yardley and Julie Evans, of Morrisville; stepdaughter, Jamie Callahan, her husband, Bob, and their two children, Leah and Sam Callahan of Yardley; and step-daughter, Laine Mann, of Yardley. A son, Ross, passed away in 1986.

His presence on earth will be missed, but we rejoice in knowing that he is watching over us from heaven.

A celebration of life will be scheduled by the family at a later date due to the pandemic. Please check back on the FitzGerald Sommer Funeral Home website for updated arrangements.

In lieu of flowers, Arthur had requested that memorial contributions be sent to Vita Education Services, 8 East Court St., Doylestown, PA 18901, or a charity of your choice.

### **ALLEN T. NOBLE**

Boise, Idaho - Allen Thomas Noble, 92, passed away of natural causes Sunday, July 18, 2021 at his home in Boise, Idaho. He was born in Idaho Falls, Idaho on December 20, 1928 to Priscilla Allen and John Edgar Noble.

Allen lived his youthful years in Kuna, Idaho graduating from Kuna High School in 1946. He cherished the friendships he made there and they lasted a lifetime.

He married Kuna native Vera May Shulz and they had five children-Susan, Linda, June, David and Mark. First starting in the Happy Valley area between Nampa and Kuna, they farmed and milked cows for neighbors until they saved enough to have their own dairy and farm machinery. He loved farm equipment and in 1958 bought an interest in Nampa International Harvester and moved his family to Nampa.

Allen had an innovative mind and a passion for progress. His love for farming never left him and in the fall of 1961 he began pioneering what became known as "high lift pumping", bringing irrigation water from the Snake River southwest of Nampa (northwest of Melba) up onto the

desert ground of the Dry Lake area. In the spring of 1962 he began his first crop year of growing mostly potatoes. It was the success he had dreamed it would be and by the next crop year the entire Dry Lake area was cleared of sagebrush and being farmed by new neighbors and friends. In 1964 Allen developed another high lift project near Glens Ferry, Idaho on an even larger scale. Both farming operations continue to this day.

In 1965 Allen married Billie Dee Jolley Johnson and added four more children to the family-Linda Sue, Cindee Lou, Kate and Rusty.

In the late 1960s, Allen developed another passion-Boise State football. It stayed with him to the very end. Over the years he served on the board of directors for the Bronco Athletic Association and was awarded the Bronze Bronco Award. Allen served many years on the board of directors for Idaho First National Bank and its successors to present day US Bank.

Allen had a lifetime interest in aviation that spanned from early private aircraft to entry into helicopters with agricultural spraying and Idaho Helicopters' current operations of firefighting and air medical. While developing a new automated irrigation machine in the spring of 1979, Allen crossed paths with three young semiconductor design engineers who had recently moved to Boise and started a company called Micron Technology. He became one of the three initial outside investors that year and served on the board of directors until 1996.

In the mid 1980s, Allen's love for farm machinery changed colors from International red to John Deere green when he became the valley's John Deere dealer, Campbell Tractor Co. Allen had a pioneering spirit with the drive and determination to accomplish anything he put his mind to. He was truly one of a kind!

Allen is survived by his children-Susan Schwendiman (John), Linda Castagneto (Craig), David Noble (Jan), Mark Noble (Jerrolynn), Linda Sue Capps (Steve), Cindee Lou Johnson, Rusty Johnson (Pam), 22 grandchildren and 54 great grandchildren. He is also survived by his sister Sozel Casasanto and brother George Noble.

Allen was preceded in death by his parents, his wife Billie Dee, infant daughter June Noble, daughter Kate Petersen, infant granddaughter Shelby Nelson Noble, sister Jean Grow and brothers John and David.

Funeral services will be held at 11:00 am, Wednesday, July 28, 2021 at the Nampa Civic Center. Burial will follow at Kohlerlawn in Nampa.

John dedicated much of his life to working with young speed skaters. He was well-known and respected throughout the roller speed skating community for many years. He attended every State, Great Lakes Regional and National Championship, and many invitationals, where he served as lap counter for the races. In later years, he still attended the nationals each year, watching every race. The speed skating world will miss him.

John loved traveling and camping. He had been to all 50 states, Canada, Mexico and a number of European countries, as well as Northern Africa.

He enjoyed all types of music and never missed a DCCA production. He also enjoyed the performances of Noah Back, a local musician and one-man band.

If an activity was going on anywhere in the area, you would usually find John there. Everyone knew him and he was friendly to all.

During the Darke County Fair, if the gates were open, John was probably there, sampling his favorite food and sitting in his chair in its regular place in front of the grandstand.

John was an interesting , intelligent, and friendly person who will be missed by many in the community.

Visitation will be at Zechar Bailey Funeral Home on Friday, April 1, 2022 from 12:00 PM- 2:00 PM. The service will follow at 2 PM with Rev. John McRoberts officiating. Burial will follow at Greenville Cemetery. The family requests donations in John's memory to Darke County Parks District or DCCA.
